

# SPONSORSHIP FORM

I appreciate your serious consideration in joining me on my journey to achieve my goals as I reach for the top levels of dressage. Competition and training costs are extremely high, and are in addition to the high monthly expenses of maintaining a horse in top competitive form, as well as a loss of income while away from my business.

\_\_\_\_\_Level 1) \$100 - \$500 per year

Contributors receive sponsorship name recognition on website and in newsletter, and bimonthly newsletter updates on our progress.

\_\_\_\_\_Level 2) \$501 - \$1,000 per year

Contributors receive a business card advertisement, sponsorship name recognition on website and in newsletter, and bimonthly newsletter updates on our progress.

\_\_\_\_\_Level 3) \$1,001 - \$5,000 per year

Contributors receive their name and/or logo displayed on a banner during the competitions, advertisement and sponsorship name recognition on website and in newsletter, and bimonthly newsletter updates on our progress.

\_\_\_\_\_Level 4) \$5,001 or greater per year

Contributors receive box seats at major competitions with name displayed on box, logo sponsorship on saddle pads (within the parameters allowed by the officials) while competing and/or training at recognized events, name and/or logo displayed on a banner during the competitions, advertisement and sponsorship name recognition on website and in newsletter, and bimonthly newsletter updates on our progress.

(Please note that sponsorship levels may also be achieved by providing equivalent amounts of goods or services normally used; for example, supply an annual amount of feed supplement, miles or points to pay for hotels, etc.)

\_\_\_\_\_Level 5) Full sponsorship opportunity

While working toward achieving the top training and competitive levels of dressage with my current horse, Ascension, I must begin working with a younger, international quality prospect to be able to step into the competitive spotlight at the US Team level. In light of all of the monthly care costs, and the additional training and competitive costs that a second horse will bring, I am seeking someone willing to team with me in my purchase of this new prospect and the financial obligations that go with campaigning a new horse to the top. Please contact me for further discussion if this opportunity is of interest to you.
